

Washington D.C.- Congressman Steve King (R-IA) announced today that he has accepted an invitation to speak to the members of Sioux City Downtown Rotary Club #54. Congressman King will be the featured speaker during the club's August 30th meeting at Sioux City's Clarion Hotel. The meeting will run from 12:00-1:30 PM CST, and will feature Congressman King giving opening remarks and taking questions from those in attendance.

“The Sioux City Downtown Rotary Club has a long and storied history of good works and it is a privilege to be asked to address its membership,” said King. “Rotarians believe in the motto ‘Service above Self’ which is something that anyone who holds public office should aspire to uphold. I appreciate having the opportunity to speak at Monday’s Rotary Club meeting, and I look forward to discussing the impact Washington’s policies are having on Sioux City with these community leaders.”
